VG nasce nel 1991 a Treviso, a 20 km da Venezia.

Da questa città unica al mondo apprende l'arte delle cose belle, delle proporzioni architettoniche, dell'impiego di materiali diversi e dell'ispirazione a culture lontane rielaborate dalla geniale artigianalità italiana.

Tutto ciò è VG: un insieme di oggetti, unici ed autentici, a disposizione di interior designers per realizzare progetti sempre esclusivi, diversi, mai omologati, di un lusso colto e moderatamente ostentativo, espressione di una continua ricerca di design sofisticatamente decorativo.

VG was founded in 1991 in Treviso, 20 km from Venice.

This unique city can teach the art of beautiful things, architectural proportions, the use of different materials and inspiration from distant cultures, reworked by brilliant Italian craftsmanship.

VG is all of this: it makes a collection of authentic and unique objects available to interior designers for use in exclusive projects, always different, never conformist, characterised by a cultured and moderately ostentatious luxury, the result of continuous research on stylishly decorative design.
